

HOW FAR WILL I GO

Från filmen Moana

[INTRO] E A

E F#m
I've been standing at the edge of the water

C#m A
'Long as I can remember, never really knowing why

E F#m
I wish I could be the perfect daughter

C#m A
But I come back to the water, no matter how hard I try

C#m B/D#
Every turn I take, every trail I track - Every path I make, every road leads back

E Am %
To the place I know, where I can not go - Though I long to be

E B
See the line where the sky meets the sea? It calls me

C#m A
And no one knows, how far it goes

E B
If the wind in my sail on the sea stays behind me

C#m Am E B C#m A
One day I'll know - if I go there's just no telling how far I'll go

E F#m
I know, everybody on this island

C#m A
seems so happy on this island - Everything is by design

E F#m
I know, everybody on this island

C#m A
has a role on this island - So maybe I can roll with mine

C#m B/D#
I can lead with pride, I can make us strong - I'll be satisfied if I play along

E Am %
But the voice inside sings a different song - What is wrong with me?

E B
See the light as it shines on the sea? It's blinding

C#m A
But no one knows, how deep it goes

E B
And it seems like it's calling out to me, so come find me

C#m Am %
And let me know, what's beyond that line, - will I cross that line?
